

HOME-SCHOOL TRANSPORT

We have received the following information into school regarding Home-to-School Transport.

“Due to a recent survey by the Senior Road Safety Officer part of the Dowdales school area along Urswick Road, from its junction with London Road, has been reclassified as an unsafe walking route under current guidelines, for children walking to school. We have been advised to inform parents of children living in this area, either currently or are due to start school, that they may be entitled to free school transport or assistance with costs.”

If you are interested in applying for assistance please contact the school office.
